Tuesday, August 08, 2017	Is there a page limit for this first step proposal?	There was not one published. However, please don't assume quantity is quality.
Wednesday, August 09, 2017	We are interested in submitting a statement of qualifications for the Yakutat Tlingit Tribe Health Care Facility and would like to know if it is possible to get an extension on the submittal deadline. Procurement turnaround time is generally three weeks, which increases the Owner's chances of getting competitive and higher quality submissions.	No, there is currently 3+ weeks scheduled for the top selected firms to prepare RFPs.
Monday, August 14, 2017	Can you explain what you are looking for in item 1e? (SOQ Format and Scoring).	Item 1e "Support Facilities Available" may be eliminated.
Monday, August 14, 2017	1) We are confused about similar wording and requirements for Sections 2 and 3. <ul style="list-style-type: none"> • Section 2 asks for "Qualifications of Proposed Project Manager and Key Personnel" • Section 3 asks for "Qualifications of Proposed Staff" Is the intent that Section 2 refers to only the Prime Contractor (which includes the PM and Key Personnel) and that Section 3 is only for Subcontractors? If not, can you please clarify?	That would depend on the firm. Key personnel would include the PM, architect of record and, any principals involved in key decision on the project (section 2). Section 3 would depend on whether the firm has key resources in-house or sub contracted out. But should include the engineering disciplines, planners, etc...
Monday, August 14, 2017	Section 2, Item C states: <u>A flow chart of tasks and staff members who will complete the identified task, and number of additional project staff members who will be involved during the proposed time allotment.</u> This can often become very detailed and is typically part of our Project Management Plan. Are you looking for a detailed list of tasks for each stage of the project with an accompanying list of staff involved during each task – or a more general list of "Roles and Responsibilities" to be performed by each of our proposed staff during the project?	More of a generalized list based on discipline (e.g. who's the lead mechanical, electrical, etc, who works under them, who is a subcontractor.
Monday, August 14, 2017	Section 3, Item C states: <u>Clarity and responsiveness of SOQ presentation.</u> We believe this is a reference to judging criteria and does not require a response. Can you please clarify?	Correct.
