The Yakutat Community Health Center is dedicated to providing Quality Improvement for all of our patients. Quality Improvement is centered around continuous actions that lead to measurable improvement in health care services and the health status of our patients. We are striving to provide the best quality health care services for our patients. Thank you for your feedback.

*and we're not finished yet...!*

We want to hear from you! Please complete a comment card at the end of your appointment to let us know how we can continue improving.
